---

### SUMMARY

Full Stack Developer with a strong freelance background and 2.5+ years of experience in designing and developing responsive web applications using modern technologies such as React, Next.js, Node.js, and MongoDB. Adept at creating engaging user interfaces and robust back-end systems. Seeking a full-time office role to contribute technical expertise, collaborate with cross-functional teams, and drive innovative solutions.

---

### TECHNICAL SKILLS

- **Languages & Markup:** HTML, CSS, JavaScript, SCSS
  - **Front-End Frameworks:** React.js, Vite.js, Next.js, Tailwind CSS, Prime React, GSAP, AOS
  - **Back-End Technologies:** Node.js, Express.js, REST APIs, WebSockets
  - **Databases:** MongoDB, Mongoose
  - **Tools & Others:** Figma, Postman, Git, ChatGPT, Web Scraping (Cheerio, Puppeteer), Payment Systems
- 

### PROFESSIONAL EXPERIENCE

*Freelance Web Developer*

Self-Employed, Delhi-NCR | Jan 2023 – Present

- Developed and maintained multiple high-performance web applications for diverse clients using React, Next.js, and Node.js.
- Designed engaging, responsive UIs with modern animation libraries (GSAP, AOS) that improved user interaction and overall site performance.
- Built scalable back-end systems using Express.js and MongoDB to manage data efficiently and securely.
- Collaborated with clients to gather requirements, deliver project updates, and ensure on-time completion within budget constraints.

*Projects:*

- **[Learning Management System \(In Xperiento\) \(Jan 2025 – March 2025\):](#)**  
Developed a comprehensive Learning Management System within the Xperiento platform, facilitating experiential learning with features such as content management, online assessments, and progress tracking. Enhanced user engagement and streamlined educational workflows.
  - **[Digi Parikshak - Integrated REST APIs \(Dec 2024 – Feb 2025\):](#)**  
Integrated RESTful APIs of Super Admin's into the Digi Parikshak platform to enhance examination management solutions for government and corporate clients. Improved data exchange efficiency and system interoperability.
  - **[INA Solutions \(Sept 2024 – March 2025\):](#)** Developed a business website using Vite, React, and SCSS, enhancing digital presence and user engagement.
  - **[CX – MediaJenie \(July 2024 – March 2025\):](#)** Led front-end development for a digital agency website integrating GSAP animations and responsive design.
  - **[Xperiento \(June 2024 – March 2025\):](#)** Created a comprehensive business management platform using Vite.js, Node.js, and MongoDB, featuring interactive data visualization and secure payment integration.
  - **[BiT Games \(March 2024\):](#)** Designed and developed an animated landing page with Next.js and GSAP to boost user engagement for an online gaming platform.
- 

### EDUCATION

Bachelor of Computer Application (BCA)

Gurugram University | 2019 – 2022
